

## 2010 AMA Pro Racing Motocross Approval Application

The following manufacturer/distributor requests approval of the motorcycle described in this form for AMA Pro Racing Motocross competition. Approval is required every new model year, regardless of motorcycles remaining identical. **Submission of this application does not guarantee approval. You will be notified upon final approval.**

Firm Name \_\_\_\_\_ Phone \_\_\_\_\_

Address \_\_\_\_\_ Fax \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Contact \_\_\_\_\_ E-Mail \_\_\_\_\_

Motorcycle brand and model \_\_\_\_\_

Model year \_\_\_\_\_ Beginning VIN \_\_\_\_\_

Number of franchised dealers in the US for this motorcycle? \_\_\_\_\_

**Will this model be homologated for the AMA Pro Racing Supermoto series? Yes\_\_\_ NO\_\_\_**

**Will this model be homologated for the AMA Pro Racing Flat Track series? Yes\_\_\_ NO\_\_\_**  
(Homologation for other series may require additional parts to be supplied)

### **1. Homologation Fee**

**\$1,500**      **Enclose check for proper amount with application.**

### **2. Engine**

Beginning serial number \_\_\_\_\_ Bore \_\_\_\_\_ Stroke \_\_\_\_\_

Displacement \_\_\_\_\_ Cylinder liner \_\_\_\_\_ Number of valves \_\_\_\_\_

Number of transmission gears \_\_\_\_\_ Carburetor or Fuel Injection \_\_\_\_\_

Fuel injection throttle body diameter \_\_\_\_\_

M.S.R.P. \_\_\_\_\_

### **3. Production and Importation Minimum Requirements**

Minimum quantities which must be available through **US** dealers:

All Manufacturers – 400 units per model

Each unit must be assembled or the chassis partially disassembled for shipping purposes only.

***Importation quantity requirements must be completed by August 1<sup>st</sup> of the current season.***

After August 1st, manufacturers must maintain availability of models homologated for the current season to any AMA Pro Racing licensed motocross competitor until October 1st of the current season. This applies unless the manufacturer can supply documented proof that the units imported to the US as the minimum requirement were sold to North American customers before August 1st of the current season. US distributor team motorcycles are counted as part of the required units up to a maximum of 8 units. Availability requirements do not apply on models homologated in previous seasons.

***Notarized Bills of Lading and Applicable Invoices must be supplied to AMA Pro Racing for verification of importation quantities. Upon investigation, if this information is not deemed adequate, AMA Pro Racing may require other supporting information.***

### **4. Early Model Homologation Requirements**

When a manufacture intends to homologate an early model release (I.E. a 2011 model released towards the end of 2010 and competing in the 2010 season), the following applies:

***The homologation application, supporting documents and all control parts must be received by the AMA Pro Racing Director of Technical Development no later than 15 days prior to the first event that the model will compete in.***

Minimum quantities which must be available through **US** dealers:

All Manufacturers –400 units per model.

Each unit must be assembled or the chassis partially disassembled for shipping purposes only.

***The model must be available through US dealers at the time of the homologation application. Importation quantity requirements for early model homologation must be completed within 90 days of the homologation application date.***

Manufacturers must maintain availability of models homologated to any AMA Pro Racing licensed motocross competitor until October 1st of the model year. This applies unless the manufacturer can supply documented proof that the units imported to the US as the minimum requirement were sold to North American customers before June 1st of the model year. US distributor team motorcycles are counted as part of the required units up to a maximum of 8 units.

***Notarized Bills of Lading and Applicable Invoices must be supplied to AMA Pro Racing for verification of importation quantities. Upon investigation, if this information is not deemed adequate, AMA Pro Racing may require other supporting information.***

## **5. Sample Parts and Information**

The following items must be supplied to AMA Pro Racing by the manufacturer / distributor for technical identification purposes. The manufacturer / distributor is required to make all efforts possible to deliver the parts and information to the AMA Pro Racing office no later than 30 days prior to the first event that the new model will compete in (15 days for early model homologation). If the parts and information have not been delivered to AMA Pro Racing by the first event that the new model will compete in, the motorcycle used in competition may be impounded until they are available.

1. Cylinder
2. Cylinder Head (4 strokes only)
3. Crank case
4. Frame
5. Swing Arm
6. Factory service manual
7. Factory parts list (hard copy)
8. Factory sales brochures (5)
9. Frame drawing showing steering head angle and swing arm pivot location

***All shipping costs, both to and from, of parts or machines are the responsibility of the manufacturer/distributor.***

**Ship all items to:**

Technical Department  
MX Sports  
122 Vista Del Rio  
Morgantown, W.V. 26508

The undersigned, as an authorized representative of the company named herein, does hereby confirm that said company is a participant in AMA Pro Racing and is therefore bound by all applicable AMA Pro Racing Rules of Competition including all possible penalties for noncompliance. In addition, the authorized representative acknowledges that he/she has read and understands all conditions of equipment approval as noted on this form and in the AMA Pro Racing Rule Book.

It is further confirmed that the information provided on this form by the applicant is true and correct as of the date of the application. Applicant agrees to notify the AMA Pro Racing within 30 days of each occurrence of any changes to the specifications of the motorcycle that should become known subsequent to this date.
