3.18 Race Finishes

- j.) ~~The overall class finish for the event will be determined by the Olympic scoring system.~~

The overall class finish for the event will be determined by combining the total championship points earned by a rider in both motos. In the event of a tie for any position, the rider with the higher finish in the second moto will be placed above the rider with the lower finish. Riders who do not earn championship points will be scored according to their finishing position based on the Olympic scoring system.
