

## **Competitor Bulletin #2009-02**

**To:** All AMA Pro Flat Track Competitors  
**Date:** May 20, 2009  
**Effective Date:** Immediately  
**Subject:** Radiator Shrouds for Singles

---

### **3.13 Items that may be replaced**

- a. Wheels
- b. Brake disc/rotors.
- c. Steering head races and bearings.
- d. Brake Calipers
- e. Triple Clamps
- f. Seat base and foam
- g. Radiator shrouds, side panels and rear fender with stock appearing replacements.
- h. Supermoto style front fenders are allowed in TT competition only.

In accordance with the above rule it is very important that competitors do not enter motorcycles for Springfield and future races with altered or missing radiator shrouds. They will not be allowed to proceed through technical inspection or onto the race track.

Shrouds do not need to be a stock part. They do need to be of similar appearance and dimension to the original equipment part.
