**\*NOTE: Each person listed on the credential order form must have a current AMA Pro Racing membership in order to be eligible for a single event credential. The cost of a Basic Membership is \$100.00 per person and may be purchased in advance or at registration by completing and submitting the required paperwork.**

**The cost of a Season Crew Credential is \$750.00 and will enable you to participate in every 2009 AMA Pro Racing Road Race event as well as eliminate the need to stop at registration and pay a credential fee at each event.**

**Both the season crew credential and a single event credential allow for access to pit road and the racetrack surface as well as the paddock and general grounds.**

**These credentials are “Hot Pit” credentials and will not be issued to persons under the age of 16 years. If you do not require access to the above mentioned areas, you may purchase a spectator ticket directly from the facility at each event.**

**Advance purchase of single event credentials are \$75.00 each. All advance orders must be RECEIVED by AMA Pro Racing by the ordering deadline for each event. AMA Pro Racing memberships and credentials are NON-REFUNDABLE and NON-TRANSFERRABLE.**

**If you are not absolutely sure each person you have listed will be attending the event listed on the order form, you should not order an advance ticket for them as there will be no refunds, transferring of names or transferring from one event to another.**

**If you would like to pay for credentials for people whom may or may not show up, you may do so by filling out a Team Will Call Credential form for each event. These credentials are not eligible for the advance sale price but will allow you more flexibility. The contact person listed on the form may make changes as necessary to the names on the list and you will be charged at the end of each day once registration closes only for the crew members that actually show up and claim their credentials that day. All AMA Pro Racing membership requirements still apply.**

**Single event credentials will be available for pick-up at Will-Call located in registration during each event. Please notify all crew members to check the event schedule posted on the AMA Pro Racing website frequently prior to their arrival for any updates including but not limited to registration hours. You should also insure that everyone is aware of the fact that a Photo-ID MUST be presented at registration by each person in order to pick up their credential. There will be NO EXCEPTIONS to this requirement.**
