TEAM SINGLE EVENT CREDENTIAL WILL-CALL ORDER FORM

***NOTE: Each person listed on the credential Will-Call form must have a current AMA Pro Racing membership in order to be eligible for a single event credential.**

The cost of a Basic Membership is \$100.00 per person and may be purchased in advance by remitting the Crew Membership application to our office or at registration by completing and submitting the required paperwork at the event.

The cost of a Season Crew Credential is \$750.00 and will enable you to participate in every 2009 AMA Pro Racing Road Race event as well as eliminate the need to stop at registration and pay a credential fee at each event.

Both the season crew credential and a single event credential allow for access to pit road and the racetrack surface as well as the paddock and general grounds.

These credentials are "Hot Pit" credentials and will not be issued to persons under the age of 16 years. If you do not require access to the above mentioned areas, you may purchase a spectator ticket directly from the facility at each event.

The single event credentials you are ordering will be available for pick-up at Will-Call located in registration during each event. Please notify all crew members to check the event schedule posted on the AMA Pro Racing website frequently prior to their arrival for any updates including but not limited to registration hours. You should also insure that everyone is aware of the fact that a Photo-ID MUST be presented at registration by each person in order to pick up their credential. There will be NO EXCEPTIONS to this requirement.

All orders and changes to orders RECEIVED by AMA Pro Racing after the ordering deadline date will require additional processing time and may result in your crew members having to wait while preparations for their credentials are made at the event.

Any changes or additions made to the Team Credential Will-Call list after the opening of registration, whether submitted by fax, e-mail, phone or in person must be submitted during registration hours in order to be available for pick up by the individuals on the following day.

If you have not given us the individual names ahead of time along with your payment information, you must come to Registration with them yourself. You may NOT send people to Registration with your credit card. We have had too many issues with credit cards being used where the individual possessing the card was not one of the approved signers on the card.

Your credit card will be charged once registration closes at the end of each day for only the crew members you have listed that have claimed their credentials that day.
