

Competitor Bulletin # 2022-01

SUBJECT: AFT Official Volusia Half-Mile Doubleheader Test Day

Progressive American Flat Track Community,

Progressive AFT will be hosting an official test day on Wednesday, March 9 prior to the season opening Volusia Half-Mile Doubleheader. The test day will be conducted with the same considerations regarding safety and event operations as all other Progressive AFT rounds, including airfence deployment and timing & scoring.

All current AFT licensed competitors are eligible to enter. Teams who reserve a spot for the test days can expect up to nine on-track sessions for each group to allow for testing and tuning in preparation of the weekend's event.

Additionally, Progressive AFT will provide one staff photographer to provide photo assets for participating riders and teams, as is done on a regular event day. Pre-event practice participants may also be included in any on-site local media opportunities that are produced ahead of the events. Progressive AFT Marketing/Communications staff will be available to assist participating riders and teams with any relevant questions, requests, and social media coaching.

The entry fee for the test day is \$250. Entries will open on Monday, January 24 at <https://members.amaproring.com>.

A detailed schedule of the test day will be published as soon as it is available.
