

# Competition Numbers

## 1.5 Competition Numbers

- a. Competition numbers are non-assignable and non-transferable, except by AMA Pro Racing.
- b. AMA Pro Racing reserves the right to revoke, reassign or transfer competition numbers to another rider at any time.
- c. Unless otherwise specified, the following numbering protocol will be used for all American Flat Track classes:

### i. National Number 1

1. The National Champion from the previous season will be required to carry the National Number 1 plate when competing in the class in which their championship was won, and AMA Pro Racing will reserve the champion's previous National Number in that class until the renewal deadline for the following season.
2. If a new National Champion does not repeat a championship the following season, the rider may select from available National Numbers 2 – 9 or may return to their previous National Number.
3. If a rider wins a National Championship prior to the end of the season and there is not a defending champion in the class, the new National Champion may request to use the National Number 1 for the remainder of the season.

### ii. National Numbers 2 – 9 (AFT Twins only)

1. Only previous AFT Twins National Champions may choose from available single-digit numbers 2 – 9.
2. If National Numbers 2 – 9 have all been issued, the former AFT Twins National Champion holding a National Number 2 – 9 with the fewest points earned in the previous season may be required to choose an available National Number 10 – 99.

### iii. National Numbers 10 – 99

1. Riders who have earned Championship points during a season are eligible to apply for a National Number 10 – 99 in that class the following season.
2. A rider will have the option to retain their National Number 10 – 99 in the class earned provided that they score points in the class during the previous season and renew by the deadline.
3. Previously licensed AFT Twins competitors who scored points during the previous season and are approved for an AFT Singles license will not be guaranteed their previous AFT Twins number in AFT Singles; however, they may apply for their previous National Number 10 – 99 if available. If moving from Twins to Singles, we will reserve the National number in the Twins class until the renewal deadline the following season should they decide to change back over to the Twins class.
4. If National Numbers 10 – 99 have all been issued, the rider with the fewest points earned in the previous season may be required to choose an available Number 101 – 299.
5. Riders who have scored points for the first time in the previous season, may choose from the available numbers between 10-99 in the order of points earned. After the renewal deadline, riders will choose from available numbers in the order license application has been received.

### iv. Number 100

1. Number 100 will be reserved for any reigning AFT Singles champion who competes in AFT Twins during the season after their AFT Singles championship win.

### v. Numbers 101 – 299

1. Numbers 101 – 299 A rider will have the option to retain their number as long as they have participated in at least one AFT event during the previous season, and have applied for license renewal by the deadline. For 2019 and beyond, riders will have to have participated in at least 3 AFT events in the previous season to retain their number and license.

### vi. Numbers 300 – 399

1. Numbers 300 and higher will be reserved and assigned to international riders competing with a Start Permission and Certification from their respective federation.
