

2018 FLAT TRACK LICENSE REGULATIONS AND ELIGIBILITY

1.4 Rider Classification and Eligibility

a. Rider Classification

- i. All rider classifications are issued at the discretion of AMA Pro Racing.
- ii. American Flat Track licensed riders not qualifying in AMA Pro Racing sanctioned events for a period of three years may lose their prior classification.
- iii. All new applications, as well as applicants renewing a license that has been expired three or more years, must complete the Eligibility Questionnaire and Record of Results on the License Application.
- iv. **Once a rider has been approved for a Competition License, they will not be allowed to apply for a change in classification until the following season.**
- v. Any rider that is a new applicant or changes American Flat Track license classification will compete under a probationary period of two (2) race events. AMA Pro reserves the right to evaluate the rider's results to determine inclusion or exclusion in the new class.
- vi. In the case where a new applicant's resume documents are from prestigious international or national professional motorcycle racing series, AMA Pro Racing may use its discretion to issue the appropriate competition license.
- vii. **In order for a competition license application to be considered, each rider must provide documentation that they have completed an ImPACT Concussion Management Test, which shall be used to assist in determining when a rider will be allowed to return to competition after suffering a concussion.**

b. AFT Singles License Eligibility

- i. An AFT Singles License may be issued to eligible riders who have reached the age of 16 years and meet at least one of the following criteria:
 1. Riders licensed as AFT Singles riders in the previous season.
 2. Rider must hold an Amateur "A" classification that can be verified by the American Motorcyclist Association or one of their recognized Districts.
 3. Any previously licensed AFT Twins rider may choose to apply for an AFT Singles license, in lieu of an AFT Twins license.

c. AFT Twins License Eligibility

- i. For the 2018 season, riders who have reached the age of 18 years and meet at least one of the following criteria are eligible to apply for an AFT Twins license:
 1. Riders licensed as AFT Twins riders in the previous season.
 2. Previously licensed AFT Singles riders who have earned at least 100 championship points on a single-cylinder machine or 50 points on a twin-cylinder machine during a single season.

ii. Riders who meet the criteria listed above are eligible to APPLY for an AFT Twins License; however, final determination of eligibility and approval for an AFT Twins license shall be at the sole discretion of AMA Pro Racing.

iii. Riders who have reached the age of 18 years and meet at least one of the following criteria are eligible to apply for an AFT Twins license:

1. Riders licensed as AFT Twins riders in the previous season.
2. Riders who have earned at least 100 Championship points in AFT Singles during a single season.
3. Riders who have earned at least 50 Championship points while riding under provisional starts in AFT Twins during a single season.
4. Riders who graduate through a program designated by AMA Pro Racing as providing experience on twin cylinder motorcycles, i.e. Spec Class, Off-Season Training Camp.
