TEAM SINGLE EVENT CREDENTIAL WILL-CALL ORDER FORM

The purpose of this form is to allow you to pay for credentials and/or memberships for others without being physically present when your guests arrive at registration. By submitting this form, you are authorizing AMA Pro Racing to charge your credit card number for the individuals listed on the form.

***NOTE:** Each person listed on the credential Will-Call form must have a current American Flat Track membership to be eligible for a single event credential. Please indicate if you wish to pay for their membership as well as their credential for each name listed.

The cost of a Basic Membership is \$60.00 per person if completed and paid for in advance online, or \$80.00 if completed and paid for during an event.

The cost of a Season Crew Credential is \$395.00 and includes AFT membership and P1 parking. A Season Credential will enable you to participate in every 2018 American Flat Track event as well as eliminate the need to stop at registration and pay a credential fee at each event.

Both the Season Crew Credential and a Single Event Credential allow for access to pit road and the racetrack surface as well as the paddock and general grounds.

These credentials are considered “Hot Pit” credentials and will not be issued to persons under the age of 16 years. If you do not require access to the above mentioned areas, you may purchase a spectator ticket directly from the facility at each event.

The Single Event Credentials you are ordering will be available for pick-up at the American Flat Track Registration during each event. Please notify all crew members to check the event schedule posted on the AMA Pro Racing website frequently prior to their arrival for any updates including but not limited to registration hours.

Please ensure that everyone is aware of the fact that a Photo-ID MUST be presented at registration by each person in order to pick up their credential. All minors must also be accompanied by their own parent to sign appropriate release forms or we will not be able to issue a credential of any kind to them. There will be NO EXCEPTIONS to these requirements.

All changes, additions, or Will Call orders turned in at registration may require additional processing time and will be prepared as quickly as time allows.

If you wish to pay for your crew member’s credentials but are not turning in a Team Will Call form, you must come to Registration with your crew members. You may NOT send people to Registration with your credit card. We are not able to accept credit card payment where the individual presenting the credit card is not the person listed on the credit card.

Your credit card will be charged each time one of the crew members on your list arrive at registration to claim their credentials. You will not be charged for names that are on the list but do not come to registration to claim their credentials.
