

2022 Annual Team Pass

A Team Pass is a season credential that may be issued to a different individual at each event. It is distributed in the form of a single event credential at each event and does not require the purchase of an American Flat Track membership for each person that utilizes the credentials.

Prior to each event, the authorized contact listed below, will need to provide AMA Pro Racing with the name of the person they have approved to claim their Team Pass credential and ensure their name is listed on the team roster. The person entitled to claim the credential will need to complete the online application prior to the event and present his/her photo ID at AMA Pro Racing Registration.
