**RE:** 2017 Flat Track Series Rider Baseline Testing Requirement

After consultation with an ImPACT certified neurologist, beginning in 2017 all riders in the American Flat Track Series will be required to have completed a neurocognitive baseline ImPACT test/assessment from ImPACT Applications, Inc. within the last two years. This test is a mandatory part of the Competition License application and must be completed before a license will be issued. The test must be performed by a healthcare provider who is a Credentialed ImPACT Consultant (CIC). To find a provider near you, see [http://www.impacttest.com/find\\_care\\_provider](http://www.impacttest.com/find_care_provider).

**Where do I get a baseline test?**

1. From any credentialed ImPACT consultant listed on ImPACT's website [http://impacttest.com/find\\_care\\_provider](http://impacttest.com/find_care_provider),  
OR
2. From Provider of your choice.

**What do I send to AMA Pro Racing?**

Riders will need to complete the AMA Pro Racing Baseline Testing Submission form and follow its instructions. If you have any questions, please contact David McGrath at 386-492-1014.
