

2015 AMA Pro Flat Track Technical Bulletin #2015-01

To: All AMA Pro Flat Track Competitors
Date: 1/23/2015
Effective Date: June 21, 2015
Subject: Transition from Goodyear to Dunlop Flat Track Tires

AMA Pro Racing in conjunction with their tire technical partner, Dunlop Tires, will be transitioning from Goodyear built and labeled flat track tires in the 2015 competition season to Dunlop built and labeled flat track tires.

All races up to and including Hagerstown, Maryland on June 20th, 2015 will be run with the current Goodyear tires.

Front DT11 27.0 x 7.0-19 compound CD5 (part number D3616)
Rear DT11 27.5 x 7.5-19 compound CD5 (TT and short track part number D1657)
Rear DT11 27.5 x 7.5-19 compound CD8 (half mile and mile part number D1637)

Starting with the Lima, Ohio event on June 27th, 2015 the ONLY tire allowed for the remaining races will be Dunlop DT3.

Front DT3 130/80-19 compound F5 (part number 15DT04)
Rear DT3 140/80-19 compound R5 (TT and short track part number 15DT05)
Rear DT3 140/80-19 compound R8 (half mile and mile part number 15DT06)

NOTE: At no races will both brands of tires be legal to run. The end date for Goodyear is June 21, 2015 and the start date for Dunlop is June 27, 2015.

All other tire rules under section 3.16 remain applicable.

Dunlop will reveal details of the new tire and roll out procedures at the Daytona event March 12, 13, 2015.

Tires will be for sale at the track by Race Tire Service. 800-772-8473 or dunlopracing.com.
