

AMA Pro Flat Track Competitor Bulletin #2015-15

To: All AMA Pro Flat Track Competitors
Date: November 17, 2015
Effective Date: Immediately
Subject: Las Vegas Reminders: Riders Names on Jerseys and Mandatory Fuel Safety Guidelines

RIDER APPAREL

Many riders will be using motocross gear for the upcoming short track event in Las Vegas. It will be in all riders' best interests to abide by the following rule in the 2015 AMA Pro Flat Track Rulebook:

3.25 Rider Apparel

- h. All riders must have their name on the back of the riding uniform at the shoulder level. Riders will receive one warning. Failure to comply can result in the following penalties: Fine, gridding at the rear of the field, loss of championship points or suspension.

MANDATORY FUEL SAFETY/FIRE EXTINGUISHER REGULATIONS

Per the event supplementary regulations: The Clark County Fire Department is instituting the following guidelines for all Las Vegas Races AMA Pro Technical staff will monitor and enforce the following:

- 1) Contestants may not bring more than 5 gallons of fuel in an external container on Site.
- 2) All fuel brought on Site must be in an approved container.
- 3) All containers are presumed "full" by the Fire Marshall, including empties or partials.
- 4) Contestants must have a Class BC fire extinguisher at their "Pit" area.
- 5) Any contestant that has more than 5 gallons or multiple containers will need to store the fuel/containers in a publicly accessible "Fuel Depot"
