

Competitor Bulletin #2018-03

To: All American Flat Track Competitors
Date: 4/27/2018
Effective Date: Immediately
Subject: Penalty Information and Revised Results for the 2018 Atlanta Short Track

At the conclusion of the AFT Twins Main Event at the Atlanta Short Track/Dixie Speedway round (round #2) of the 2018 American Flat Track series, four (4) tire samples from four (4) different AFT Twins machines were collected and sent to an independent lab for analysis, pursuant to Appendix E (Tire Testing Procedures) of the 2018 AFT Rulebook.

These tire samples were submitted to the independent lab for chemical analysis and comparison with a benchmark tire sample provided by Dunlop. Three of the samples were deemed to be in compliance with the benchmark sample. The sample from the #1 machine ridden by Jared Mees was not in compliance, however, and indicated a statistically-significant presence of several chemicals known to be used in motorsports to alter tire compounds, thereby enhancing performance. These include:

- Hexanedioic acid bis(ethylhexyl) ester
- Dodecanoic acid
- 1,3-Benzenedicarboxylic acid, bis(2-ethylhexyl) ester

According to the 2018 American Flat Track Rulebook, the #1 machine is in violation of Rulebook section 3.8.b (pg. 44); "Tires: No chemical applications are permitted."

Pursuant to the 2018 American Flat Track Rulebook, Section A3.1 Equipment Offenses and Penalties (page 84), this is a Category 1 offense: "An equipment violation that could potentially enhance the performance of a motorcycle used in competition."

Effective immediately, the rider of the #1 machine – Jared Mees – has been served with the following penalties in accordance with Section A3.3:

- Disqualification from the Atlanta Short Track
- Total loss of points from the event
- Total loss of prize money from the event
- Probation for 12 months.

Revised results for the AFT Twins presented by Vance & Hines Main Event at the Atlanta Short Track are as follows:
