

"Overflow" is different: 20' X 70' pit stalls are marked 50 - 58 with flags, numbers and are **assigned**. DO NOT JUST DRIVE BACK THERE because you'd prefer to pit there! When directed, pull your rig toward the north end bicycle fence with canopies side-by-side along the flag line, in line w/ each other. Be neighborly. If an oversize vehicle cannot fit in your assigned pits, let an AFT official know.

"Assigned" Overflow Pits

58	18 / Whale
57	924 / Brindley
56	191 / McRoberts
55	167 / Lehfled
54	922, Orr / 99 Jones
53	223 / Lowrey
52	17, Lowther / 205, McAllister
51	969 / Mischler
50	196 / Johncox

" Unassigned" Overflow Pits

38 / Dean (Very large Rig?)
