All Teams enter the facility through Gate 1. If a team's transporter is too big to fit in assigned pit, relocate to pit numbers 39-50 on the far side of the new red building. Pit awning must NOT be on the asphalt in this area. On grass ONLY

Inside Junior Fair Goat and Sheep Barn; 14 spots available for small rigs. Each rider can use TWO sections of the floor, meaning, the concrete floor seems (two "blocks") identify each riders pit area.
