

Competitor Bulletin # 2026-03, Atlanta ST Dunlop Tire Regulation

TO: Progressive American Flat Track Community
DATE: March 16, 2026
SUBJECT: Atlanta Short Track Dunlop Race Tire Usage, Allocation, Purchase and Exchange Regulations

Due to limited inventory of U.S. and Japanese made DT4 race tires the following regulation will apply for the upcoming Atlanta Short Track on Saturday, March 21.

- 1) Mission AFT SuperTwins will use U.S. made Front and Rear DT4s. These are the same spec used in 2025.
 - a. Mission AFT SuperTwins riders may purchase a maximum of three (3) U.S. made R5 DT4 tires **at Senoia Raceway. Pre-orders are not available.**
 - b. Inventory of U.S. made R7 DT4 rear tires is NOT limited.
 - c. Inventory of U.S. made F5 DT4 front tires is NOT limited.
 - d. **At the conclusion of the ATL ST event, a limited number of Japanese made F5 front and R5 rear DT4 tires may be available for sale to Mission AFT SuperTwins riders – pending inventory count.**
- 2) KICKER AFT Singles will use U.S. made F5 fronts ('25 spec) and new Japanese made R5 rear DT4s.
 - a. KICKER AFT Singles riders can purchase a maximum of two (2) Japanese made R5 DT4 tires - **OR** - exchange up to two (2), new, never-mounted 2025 production U.S. made R5 DT4 tires for an equal number of new Japanese made R5 DT4s **at Senoia Raceway. Pre-orders are not available.**
 - b. Inventory of U.S. made R7 DT4 rear tires is NOT limited.
 - c. Inventory of U.S. made F5 DT4 front tires is NOT limited.
 - d. **At the conclusion of the ATL ST event, a limited number of Japanese made F5 front DT4 tires may be available for sale to KICKER AFT Singles riders - pending inventory count.**
- 3) AFT ProSport 450 will use U.S. made F5 front and R5 rear DT4 tires.
 - a. AFT ProSport 450 riders that qualify for Thursday's program can purchase one (1) U.S. made R5 DT4
 - b. Inventory of U.S. made F5 DT4 front tires is NOT limited.

At Atlanta ST: Tire sales, 2025 contingency redemption, and exchanges will be available at the Atlanta Short Track on Friday, March 20 from 5:00 p.m. – 7:00 p.m. during early AFT Pit load-in, and again on Saturday, March 21 from 10:00 a.m. – 4:00 p.m. The location will be near the AFT TECH trailer. Purchase, exchange, and redemption limits will apply.

After Atlanta ST: AFT license holders with remaining inventory of older 2025 production, U.S.-made F5 and R5 compound tires will be able to trade in existing tires at the Ventura Short Track (April 25) and Throttlefest at Budds Creek (May 16) for the new Japanese-made tires, subject to certain conditions. 2025 contingency redemption will also be available at these events.

How do I know if I have a tire eligible for exchange?

- The tires eligible for exchange will be identified by DOT (date of manufacturer).
 - DOT code 4024 and newer.
