

American Flat Track - Technical Allowance List

Updated: 1/27/2017

An approved engine may be granted Technical Allowances at the discretion of AMA Pro Racing. Technical Allowances may be used in competition until specifically forbidden, in writing, by AMA Pro Racing.

The following list identifies all technical allowances approved for use in American Flat Track competition:

Triumph T100 Bonneville:

- Triumph Part Number T1156035, Cylinder Head Assembly
- Triumph Part Number T1167810, Cylinder Assembly

KTM LC8:

- KTM Part Number 61041001000, Throttle Body Assembly
- KTM Part Number 61241001000, Throttle Body Assembly
