

2022 FLAT TRACK LICENSE REGULATIONS AND ELIGIBILITY

i. Memberships and Licenses

- a. All license applications can either be submitted online at <https://members.amaproring.com> or printed from AMA Pro Racing's website and submitted with notarized signatures to the AMA Pro Racing office. Applications may not be faxed or emailed.
- b. The receipt of a Membership/License application and fees by an AMA Pro Racing Official and/or the depositing of accompanying fees by AMA Pro Racing do not constitute the issuance or approval by AMA Pro Racing of such an application for an American Flat Track Membership/License.
- c. Memberships/Licenses are non-transferable, non-assignable and non-refundable, and may be used only by the Member to whom it is issued. Any attempt to transfer, lend, or permit any other person or entity to use it shall result in a penalty imposed on the Member by AMA Pro Racing. IF FOR ANY REASON, WHETHER INTENTIONAL OR UNINTENTIONAL, A MEMBERSHIP IS TRANSFERRED, LOANED, OR USED BY ANY OTHER PERSON OR ENTITY, THE ORIGINAL MEMBER SHALL INDEMNIFY AMA PRO RACING AND ALL RELATED PARTIES FOR ANY DAMAGES ARISING IN CONNECTION WITH SUCH TRANSFER, LOAN OR USE. Transfer or misuse of any license or credential is cause for immediate fine and revocation of both license and credential.
- d. All American Flat Track Memberships/Licenses expire automatically on the last day of the calendar year in which the Membership is issued.
- e. Team Owner License
 - i. The Team Owner is the individual responsible for entering a rider and motorcycle in American Flat Track events. Team owners can also be the designated rider for an entry.
 - ii. Team Championship points, purse awards and any additional monetary awards will be paid to the team owner or their designee.
 - iii. Penalties for the rules infractions of team members will be levied against the team owner. The team owner is responsible for ensuring entered motorcycles meet all technical rules.
 - iv. Team owners must meet the minimum age requirement for the respective class.
- f. Competition Licenses
 - v. All competition license applicants must meet the class-specific age requirements at the time of application.
 - vi.

Class	Min	Max
vii. AFT SuperTwins:	18	
viii. AFT Production Twins:	17	
ix. AFT Singles:	16	39
 - x. Any 17-year-old applying for an AFT Twins license must have finished in the top 3 championship positions in AFT Singles during the previous season. All applications are subject to approval by AMA Pro Racing.

- xii. Competition licenses will only be processed at the AMA Pro Racing office and are not issued at the racetrack. Processing of competition licenses must be completed through the AMA Pro Racing office no later than 30 days before the first event in which a rider wishes to participate

1.4 Rider Classification and Eligibility

a. Rider Classification

- i. All rider classifications are issued at the discretion of AMA Pro Racing.
- ii. American Flat Track licensed riders not qualifying in AMA Pro Racing sanctioned events for a period of three years will lose their prior classification.
- iii. All new applications, as well as applicants renewing a license that has been expired three or more years, must complete the Eligibility Questionnaire and Record of Results on the License Application.
- iv. Competitors with an AFT Singles Rider License may only enter in the AFT Production Twins or AFT SuperTwins classes in the case where AMA Pro Racing grants a provisional license and will not be guaranteed the same competition number in the twins classes. Examples may include eligible AFT Singles riders being permitted to ride at the Springfield Mile.
- v. Competitors with an AFT Twins Rider License may only enter one twin-cylinder class on an event day.
- vi. AFT Singles licensed riders are limited to riding in only one class during any event day unless they have been granted an advancement entry into AFT Production Twins. An advancement entry may only be used at six (6) event weekends in the current season. A doubleheader weekend will be considered one event. Riders applying for an advancement entry must meet all current licensing requirements for the second class. Any exception will be subject to approval by AMA Pro Racing.
- vii. Riders with an AFT Singles Rider License may request a change in classification, but the determination will be at the sole discretion of AMA Pro Racing.
- viii. Once a rider has been approved for an AFT Twins Rider License, they will not be allowed to apply for a change in classification until the following season. Any exception will be determined solely by AMA Pro Racing.
- ix. Any rider that is a new applicant or changes American Flat Track license classification will compete under a probationary period of two (2) race events. AMA Pro reserves the right to evaluate the rider's results to determine inclusion or exclusion in the new class.
- x. In the case where a new applicant's resume documents are from prestigious international or national professional motorcycle racing series, AMA Pro Racing may use its discretion to issue the appropriate competition license.

b. AFT Singles Rider Licenses

- i. An AFT Singles Rider License may be issued to eligible riders who have reached the age of 16 years and meet at least one of the following criteria; however, final determination of eligibility and approval for a Singles Rider License shall be at the sole discretion of AMA Pro Racing.
 - 1. Riders who participated in a minimum of three events during the previous season.
 - 2. Riders with an Amateur "A" classification that can be verified by the American Motorcyclist Association or one of their recognized Districts.

3. Riders who scored Championship points in the AFT Singles class during the previous season.
 4. Previously licensed AFT SuperTwins or Production Twins riders may choose to apply for an AFT Singles Rider License, in lieu of their previous Twins license.
- ii. Riders issued an AFT Singles Rider License may not be approved for a license the following season if they do not attempt to qualify at a minimum of three AFT events. Any exception will be determined solely by AMA Pro Racing.
 - iii. Riders who hold an AFT Singles Rider License may only participate in the AFT Singles class.
- c. AFT Twins Rider Licenses
- i. Riders who have reached the age of 17 years and meet at least one of the following criteria are eligible to apply for an AFT Twins Rider License; however, final determination of eligibility and approval for AFT Twins Rider License shall be at the sole discretion of AMA Pro Racing.
 1. Riders who participated in a minimum of three events during the previous season.
 2. Riders who scored Championship points in either the AFT SuperTwins or AFT Production Twins classes during the previous season.
 - ii. Riders issued an AFT Twins Rider License may not be approved for a license the following season if they do not attempt to qualify at a minimum of three AFT events. Any exception will be determined solely by AMA Pro Racing.
 - iii. Riders who hold an AFT Twins Rider License may participate in the AFT Production Twins or AFT SuperTwins classes. Competitors with an AFT Twins rider license may not compete in the AFT Singles class.

AMERICAN FLAT TRACK ELIGIBILITY QUESTIONNAIRE

This form is to be used by new applicants who hold an amateur "A" classification license or a rider who has not held an AMA Pro Racing license in three or more years. The minimum age for a Singles competition license is 16.

Name: _____

Address: _____
