

# 2020 FLAT TRACK LICENSE REGULATIONS AND ELIGIBILITY

## 1.4 Rider Classification and Eligibility

### a. Rider Classification

- i. All rider classifications are issued at the discretion of AMA Pro Racing.
- ii. American Flat Track licensed riders not qualifying in AMA Pro Racing sanctioned events for a period of three years **will** lose their prior classification.
- iii. All new applications, as well as applicants renewing a license that has been expired three or more years, must complete the Eligibility Questionnaire and Record of Results on the License Application.
- iv. Once a rider has been approved for an AFT Twins Competition License, they will not be allowed to apply for a change in classification until the following season. *Any exception will be determined solely by AMA Pro Racing.*
- v. Riders with an AFT Singles License may request a change in classification, but the determination will be at the sole discretion of AMA Pro Racing.
- vi. Any rider that is a new applicant or changes American Flat Track license classification will compete under a probationary period of two (2) race events. AMA Pro reserves the right to evaluate the rider's results to determine inclusion or exclusion in the new class.
- vii. In the case where a new applicant's resume documents are from prestigious international or national professional motorcycle racing series, AMA Pro Racing may use its discretion to issue the appropriate competition license.
- viii. **In order for a competition license application to be considered, each rider must provide documentation that they have completed an ImPACT Concussion Management Test, which shall be used to assist in determining when a rider will be allowed to return to competition after suffering a concussion.**

### b. AFT Singles License

- i. An AFT Singles License may be issued to eligible riders who have reached the age of 16 years and meet at least one of the following criteria:
  1. Riders licensed as AFT Singles riders in the previous season who participated in a minimum of **four** events.
  2. Rider with an Amateur "A" classification that can be verified by the American Motorcyclist Association or one of their recognized Districts.
  3. Any previously licensed AFT Twins rider may choose to apply for an AFT Singles license, in lieu of an AFT Twins license.
- ii. Riders issued a 2020 AFT Singles license must attempt to qualify at a minimum of **six** AFT events **as well as have advanced into at least one qualifying Heat or Semi via legitimate elimination** to be eligible for an AFT Singles license in the 2021 season. Any exception will be determined solely by AMA Pro Racing.
- iii. Riders who hold an AFT Singles license may enter in the AFT Singles class at any event.

iv. AFT Singles licensed competitors who have reached the age of 18 years and have participated in a minimum of 18 American Flat Track events during the last three seasons may also enter the AFT Production Twins class at events.

v. AFT Singles licensed competitors may only compete in the AFT Twins class in the case where AMA Pro Racing grants a provisional license and will not be guaranteed the same competition number in both classes.

### c. AFT Twins Licenses

i. Riders who have reached the age of 18 years and meet at least one of the following criteria are eligible to apply for an AFT Twins license; however, final determination of eligibility and approval for an AFT Twins license shall be at the sole discretion of AMA Pro Racing.

1. Riders who participated in a minimum of **six** events during the previous season.

2. Riders who scored Championship points in the AFT Twins class during the previous season.

ii. Riders issued a 2020 AFT Twins license must attempt to qualify at a minimum of **six** AFT events **as well as have advanced into at least one qualifying Semi via legitimate elimination** to be eligible for an AFT Twins license in the 2021 season. Any exception will be determined solely by AMA Pro Racing.

iii. Riders who hold an AFT Twins license may be eligible to ride in Super Twins or enter AFT Production Twins at any event; however, riders may only compete in one twin cylinder class at any given event. AFT Twins licensed competitors may not compete in the AFT Singles class.
